- ◆ Safety Recognition Programs including safety incentive programs
- ◆ Various Forms

Manual Characteristics:

- ◆ Easily customized by inserting your company name and logo. Manual is provided in Microsoft Word Document format. BMSA can customize for you.
- ◆ Easily modified to meet the unique operational needs of your yards
- ◆ Complete reference for managers and supervisors
- ◆ Policies, procedures and all **forms** in one easy to use guidebook (You can print the forms as needed!)

Why:

- ◆ One of the first things that OSHA requests when they stop by for a visit is a copy of your safety manual.
- ◆ Every accident represents an unnecessary loss to both the employee and the company, not only in dollars paid out but also pain and suffering, lost wages, lost days and low morale.
- ◆ OSHA & DOT Complaints
- ◆ Eases transition for new employees
- ◆ Discourages employee lawsuits
- ◆ Explains to each member of your team the safety rules and regulations of your company
- ◆ Provides clear and consistent policy throughout the company
- ◆ Avoids misunderstandings by providing employees written policies

Price:

- ◆ \$299 for Full Safety, OSHA & DOT Manual

Plus \$10.00 Shipping & Handling Charges & applicable sales tax
